Emmaus Walks – A Journey with Christ

If you are interested in growing in your relationship with God, retreats are a great step forward. The Walk to Emmaus is a three-day experience, a highly-structured weekend, which takes a New Testament look at Christianity as a life-style. The program is designed to strengthen and renew the faith of Christian people and through them - their families, congregations, and the world. It is a proven program of the Upper Room division of the General Board of Discipleship of the United Methodist Church. In order to go on a walk, you must register in advance.
